Space for both of you

Our double apartments give you the space and privacy to live your life together, with the security of knowing that care and support are available 24 hours a day.

Feel at home

Each apartment has its own bedroom with ensuite shower room, a kitchenette, dining table and lounge.

You'll also have your own patio garden, where you can grow your favourite flowers or simply sit and watch the world go by.

Your home, your choice

Beyond the privacy of your apartment, you'll find a café, shop, launderette, cinema and spa.

If you **enjoy the outdoors**, there's a large garden with a side-by-side bike-for-two, outdoor gym equipment, fruit trees and vegetable beds. Upstairs, there's our **rooftop bowling green** where you can play bowls, croquet and skittles.

So much to see and do

There's always plenty to be getting involved in – our weekly activity plan features a range of clubs, while our **Memory Maker** minibus gives you the opportunity to visit local attractions and places of interest.
