

Every day well lived

Castle Brook Care Village

A care home with six households of single rooms and double apartments for adults, including people with mobility needs and dementia.

Use the shop

Our mini-mart is where we get all the food from, and you can also go in to choose something you'd like.

Go to the café

Sit inside or outside. Choose drink from the range of hot and cold drinks available. There are also biscuits and cakes.

Community design

Castle Brook Care Village is a care home. We've designed the village to give you the opportunity to contribute to your new community as much, or as little, as you want to.

Go to the cinema

If you like watching films on the big screen, we have three daytime showings and an evening film every day in our cinema.

Get out and about

Make use of our Memory Maker minibus outings to local attractions and places of interest.

a
nd

Get involved with cooking

You've got your own household kitchen to do as much or as little as you like.

Household design

There are 6 households at Castle Brook Care Village, each is designed for up to 14 people.

Every household has its own kitchen, TV lounge, dining area and residents are supported by a team of staff to live a

On the ground floor there are three double apartments for couples to live together. Double apartments, which have their own private lounge and kitchenette next to the bedroom a

couples or friends patio areas, have and ensuite.

Personalise your room

It has its own ensuite shower and toilet, wifi, TV and telephone points, large windows and gardens on the ground floor.

Meet people

You can get involved in the village community. There's plenty to do from spending time at the café or the cinema to riding the bike or maintaining the flowerbeds.

What's important to you?

At WCS Care we believe every day should be well lived.

This will mean something different to every person we care for and it's our job to understand what this looks like for you and help you to achieve it.

Caring and friendly

We know we're only as good as our last act of care.

It's our job to support our care workers so you experience smiling, friendly and kind staff who know how to support you, can spend time with you and go the extra mile to make your day.

Accredited employer

We're an accredited *Investors in People* employer, recognising our commitment to invest in, train and develop our staff by understanding that we all contribute and succeed in different ways.

Technology to support you

We use a range of technology to support your health and wellbeing, including circadian rhythm lighting, night-time acoustic listening and electronic care planning.

We understand the decision to give up your home and move into a care home is very hard.
