

Every day well lived

Woodside Care Village

A care home with family-sized households for adults, including people with mobility needs, dementia and people who are deaf.

Use the shop

Our mini-mart is where we get all the food from. You can go in to choose something you'd like.

Go to the ca-

Sit inside, outside or next to the children's play area.

Community design

Woodside Care Village is a care home. We've designed the village to give you the opportunity to contribute to your new community as much, or as little, as you want to.

Go to the cinema

If you like watching films on the big screen, we have three daytime showings and an evening film every day in our cinema.

Get out and about

Make use of our Memory Maker minibus outings to local attractions and places of interest.

fé

to

Get involved with cooking

You've got your own household kitchen to do as much or as little as you like.

Household design

There are twelve households at Woodside Care Village, each one designed and decorated in one of three lifestyles based on town, country or city.

Up to seven people, who share similar care needs, interests and hobbies, live together in each house, supported by a team of care staff.

There are separate households for adults, including people with physical mobility needs, dementia and residents who are frail.

Join a club

Chess? Gardening?
Baking? Sport? Knitting?
Dominoes? Poetry? What do you enjoy?

Visit the launderette

Whilst we take care of all this, the facilities, like Supersuds, are arranged so you can get involved if you want to.

people with
deaf.

Personalise your room

It has its own ensuite shower and toilet, wifi, TV and telephone points, large windows and gardens on the ground floor.

Meet people

Get involved in the village community. There's plenty to do, from spending time around the plaza and its shops, to riding the side-by-side bike, playing outdoor chess and table tennis and using the gym equipment.

What's important to you?

At WCS Care we believe every day should be well lived.

This will mean something different to every person we care for and it's our job to understand what this looks like for you and help you to achieve it.

Caring and friendly

We know we're only as good as our last act of care.

It's our job to support our care workers so you experience smiling, friendly and kind staff who know how to support you, can spend time with you and go the extra mile to make your day.

Accredited employer

We're an accredited *Investors in People* employer, recognising our commitment to invest in, train and develop our staff by understanding that we all contribute and succeed in different ways.

Technology to support you

We use a range of technology to support your health and wellbeing, including circadian rhythm lighting, night-time acoustic listening and electronic care planning.

Find out more

We understand the decision to give up your home and move into a care home is very hard.

We can provide information and support, so please:
